Evaluate on an ongoing basis existing relations between and among businesses and counterparties to ensure that all related parties are continuously identified, MRPTs are monitored, and subsequent changes in relationships with counterparties (from non-related to related and vice versa) are captured. Related parties, MRPTs and changes in relationships should be reflected in the relevant reports to the Board and regulators/supervisors;

In evaluating MRPTs, the Committee takes into account, among others, the following:

- 4.4. Ensure that appropriate disclosure is made, and/or information is provided to regulating and supervising authorities relating the company's MRPT exposures reviewed and approved during the year including unusual or infrequently occurring transactions, and policies on conflicts of interest or potential conflicts of interest. approach to managing material conflicts of interest that are inconsistent with such policies, and conflicts that could arise as a result of the company's affiliation or transactions with other related parties;

- 4.5. Report to the Board of Directors on a regular basis, the status and aggregate exposures to each related party, as well as the total amount of exposures to all related parties;
