<b>Subject of News Report</b>	Gokongweis bet big on airport expansion
Date of Publication	May 19, 2025

#### **Clarification of News Report**

We refer to your letter dated May 19, 2025 requesting JG Summit Holdings, Inc. ("JGS") to clarify and/or confirm a news article entitled "Gokongweis bet big on airport expansion" posted in philSTAR.com on May 19, 2025.

The news article reported in part that:

"MANILA, Philippines — Expect the Gokongwei Group to participate in more public-private partnerships (PPP) on airport projects as it seeks to maximize its expertise in managing malls and the country's largest airline.

JG Summit Holdings Inc. president and CEO Lance Gokongwei told The STAR that his group is eyeing to add more airports to its portfolio.

Currently, JG Summit is engaged in airport operations through the Luzon International Premiere Airport Development (LIPAD) Corp., which runs the Clark International Airport.

JG Summit is waiting for the government to approve its P856-million bid to take over the Sayak Siargao Airport, teaming up with the Philippine Airport Ground Support Solutions Inc. and the Asian Infrastructure and Management Corp. for the project.

Further, Gokongwei said the JG Summit team in LIPAD is scanning the terrain for more airports that can be turned over to the private sector. He believes JG Summit has what it takes to go big in the airport business, boasting competence in both aviation and property management.

'Definitely, the team in LIPAD is looking at more airports,' Gokongwei said.

. . . . ,,

The Php 856 million Siargao project mentioned in the Philippine Star article is the old unsolicited proposal submitted by Asian Infrastructure and Management Corp. which was accepted by government and was given Original Proponent Status and where JG Summit's subsidiary, JG Summit Infrastructure Holdings Corporation, was asked to join as a minority consortium member. As mentioned by Mr. Lance Gokongwei at the sidelines of the recent Annual Stockholders' Meeting of JG Summit, we confirm our interest in regional airports but we do not have anything concrete at this point.
